

Hope you had a lovely week - the school is in full swing with lots of learning and activities taking place. Our new Reception children have been on school tours this week meeting all the lovely staff we have in school that support all our children. It's looking like the weather will improve ready for the weekend.

FOREST SCHOOL

Those of you who drop off in KS1, near our Forest School area, you will have seen a new addition to the area with our 'Avon-den'. This new shelter has been designed by Miss Braysford as a shelter that can be used by our children come wind, rain or shine. The den is multi-purpose as the children will be able to listen to stories in it; complete team building activities and also use the fire pit in there.

The 'Avon-den' has been kindly donated by Hunters Estate Agents. They have paid for the materials and also for the joiner's time to construct the shelter. A huge thanks to them for their kind donation which I'm sure will put lots of smiles on our children's faces.

UNIFORM

Just a reminder to ensure that all uniform is clearly labelled please. We already have quite a few items in our lost property that are unnamed and therefore can't make their way back to their rightful owner.
